WHAT WE DO OUR SUPPORT

The best solutions to organize conferences, conventions, meetings and events that we follow with professionalism and attention to detail. We want to impress you with charming locations and innovative technologies, using experienced professionals.

We have worked with:

- 🌐 International and National Scientific Associations
- 🌐 Pharma and Healthcare
- 🌐 Universities and Academic Organisations
- 🌐 Professional Associations
- 🌐 Public Administration

CONFERENCES

Not only a service provider but also a global management consultant for your conferences.

Our professional staff develops events on size, by taking care of every aspect, from goals analysis to post-conference management.

We guarantee a direct involvement of professionals, who will follow every project phase, assuring actors' satisfaction: from sponsors to participants.

CME (Continuing Medical Education)

As a National Provider, appointed by Ministry of Health for Continuing Medical Education (CME), we manage all forms and data relating to CME accreditation: in full and continuous synergy with the scientific board, we elaborate and develop on line forms as well in all its phases; we elaborate data, create printouts, send final balances for the CME report.

DMC

Incentive Events, Team Building, Corporate Events, Product Launch are our peculiarity.

Our aim is to give to you unique and memorable moments, by selecting the perfect destination for your travel and the suggestive setting for your event, by taking care of each single detail, in order to exceed your expectations.

Our staff of professionals will study an accurate analysis of your needs and select the perfect destination for your trip or the suggestive setting for your event, with regard to your needs.

ASSOCIATION MANAGEMENT

We are able to respond to all association requests, by managing each activity in details.

We believe that being an association is very important for the development and the spread of the knowledge and for the community wellness. This is why we provide our skills and our services efficiently: domiciliation, management of subscriptions standardization of associate's database, coordination of scientific activities, management of the social program, processing and coordination of abstracts.

COMMUNICATION

Creativity, innovation and customized graphic solutions in order to communicate in the most cutting-edge way.

Communication and promotion activities being adequate for each event and aiming at the achievement of the goals of the event.
